**DATED:- 19<sup>TH</sup> APRIL, 2024**

**CLASSES:- NURSERY TO 10<sup>TH</sup>**

**SUBJECT:- EARTH DAY CELEBRATION**

Earth Day is celebrated all around the world on 22nd April to support environmental movements and awareness about the need to save our planet. Building awareness about change and its impact on the planet can help us to create a greener tomorrow.

In order to help our little despites understand the importance of preserving the resources and learn to take care of their planet, some activities have been planned for classes Nursery to X.

1. There will be special assembly for classes 1<sup>st</sup> to 10<sup>th</sup> in which a person from an organization will demonstrate the reuse, recycle of waste material.
2. Take kindergarten students to the garden and tell them about the plants grown there and how to take care them. (Walk to a garden)
3. For classes 1<sup>st</sup> to 8<sup>th</sup> give an drawing activity/ slogan writing/ Best out of waste activity in art period .
4. For classes 9<sup>th</sup> & 10<sup>th</sup> they have to make a PowerPoint presentation in their AI period on “ Save Earth”
