Subject:-Summer vacation

Dear Parents

After a relaxed summer break. I am sure , children are now ready to go back to studies. Let me thank all of you for your support and cooperation specially in the past few months .Technology in teaching and learning was new to most of us but efforts at both ends yielded positive results. We were so eagerly looking forward to having our students back in school but the current situation does not permit to do so.

Safety of students and staff can not be compromised . The only option left to continue with online classes. To make the classes more child friendly we have given appropriate online class timing.

It is informed that classes will begin from 5th July 2020 (Wednesday)

The time table will be shared with you today . I humbly request all that let us not reset the change but adopt ourselves to face the challenge. I strongly believe that tough times don't last but tough people do. Take care and stay healthy .

With Regards

Principal
