Subject:- Mother's Day

Date:- 15<sup>th</sup> July 2020

Dear parents

Mother Nature is currently testing the resilience of human species. We sincerely hope all of you are safe and secure within the comforts of your home.

Our Dhauladhar staff is working tirelessly to keep the students constructively engaged.

We are conducting online classes, sharing recorded lectures, solving students' problems, keeping a close watch on the attendance of students in the classes, taking frequent feedbacks, and we plan to continue this process until the students are back in school.

Our sincere thanks to all the parents for generously appreciating our teachers for the same. To keep the morale of the staff high and to enable us to pay up the salaries of the teachers, admin staff, peon, guards, etc. We approach you with a request. All those parents who are in a position to pay now, please come forward and deposit the fee (through online) as early as possible (through you have the option to deposit it later as per your convenience).

I extend my gratitude and look forward to the same cooperation and partnership in the future too.

Regards

Principals
