

CIRCULAR NO. DDPS-05/2023-24

DATED:- 8th May,2023

CLASSES:- NURSERY TO 10TH

SUBJECT:- Mother's day celebration

Mother's day celebration

The word "👩👧 *MOTHER* " resonates with blissful unconditional love and care that is the basic need of every child. Mother's day is celebrated on every 2nd Sunday in May month every year.

We will celebrate mother's day on **12th May ,2023**

For this here are some instructions , kindly note it down:-

- 1) **Kindergarten kids** will be given a drawing page (Mother's day related) to color it. If a child wants to recite a poem you can also get them to do it.
- 2) **Classes 1st to 5th** -students will recite any hindi/ English poem . All the class incharges will give a notice to parents then select the best student , who will perform in the auditorium on 12th May. Submit your class's student's name till 10th May to the orator club incharge.
- 3) **Classes 6th to 9th** Children will participate in the Poem Composition competition. So, Class incharges will give a notice regarding it . On 10th May Anuradha ma'am will get the poem competition done in Hindi period of classes 6th & 7th and Surekha ma'am will get the competition done of classes 8th & 9th on the same date. Then on 11th May submit the best student name to Orator club incharge . Best poem will be recited by the students on 12th May in the auditorium.

- 4) Any two students from Orator club will do the anchoring on Mother's day
- 5) Dance teachers will prepare any two dances for this celebration on the theme of mother's day. Dance & music club will write this activity in their club register.

Thanks & Regards
