

CIRCULAR NO. DDPS-16/2021-22

DATED:- 02/06/2021

CLASSES:- NURSERY TO 9TH

SUBJECT:-World Environment Day

World Environment Day is celebrated across the world on ***5th June*** in order to create ***awareness*** amongst people about the ***importance of preserving nature and environment*** . Environment plays an important role in healthy living and the existence of life on planet earth. When we recycle, used materials are converted into new products, reducing the need to consume natural resources. ***Recycling*** helps protect the environment.

Dear students, on this environment day we are going to recycle. We shall learn how we can recycle plastic bottles. So an activity is given to you on this day that you have to ***recycle plastic bottles*** and ***plastic containers*** . You can take the help from the given links also. After completing your activity, take the photo of your activity along with your pic in the school uniform and send in the group.

Thanks & Regards
