SUBJECT: HANDWASH DAY CELEBRATION

Dear students/teachers

Children are vulnerable to infection and hygiene plays a vital role when it comes to good health. So Hand Washing Activity will be organized in our school. The aim of the activity is to make the children aware that washing hands properly helps in preventing spread of infection. The children are advised that they must practice hand wash at key times such as after using the toilet or before eating food. The hand washing instructions will be given to them which each pupil will observe and follow. Kindly note down that on 8th September, 2021 we will do Hand wash activity day.

So, all class in charges will give a demonstration on Hand wash in their online classes.
