Dear Students / Parents

There are a lot of things in the world that can make us smile but nothing beats the invaluable joy of making someone happy. To celebrate and spread the joy of sharing & helping others, our kids will learn how to help others.

So dear kids you have to make someone happy by giving anything which that person/ animal loves.

Also share your picture with us while making someone happy.

Dear parents we are really hoping for your co operation to inculcate these little values in our kids. So that in future they learn how we can make someone happy by doing these little things.

Thanks & Regards  
Principal
